

Chapter 5

1) When we look at the “raw, unstoppable power” of the wind and waves, what two choices do we have?

2) Read Job 1-2. From these chapters, what do we learn about both “good” and “adversity”?

“Both, not just one, are the _____ and the _____.”

Do you struggle with this idea? If so, why?

3) What do we learn about Christ from his command of nature?

4) List as many examples as you can of material substance obeying Christ’s command.

5) What does it mean that Jesus both created and upholds all things?

6) What two choices do we have in how we may respond to Christ?

7) Think about a situation in your life where the Lord has “taken away,” but it has worked as a blessing.
